North Atlanta O-Gauge Railroad Club  
Serving Metropolitan Atlanta & Surrounding Areas

## We Want You to Share the Joy of 3-Rail O-Gauge Toy Trains

Club activities include our Traveling Layout for the children, building and scenicking our permanent layout, running trains, workshops, repairs, field trips, tips & tricks, show & tell, sell & swap, and much more. It's not all just learning, but you will come away from each meeting with something new. We are a great place for the "newbie" to learn all about toy trains. Oldies can bring that tired old runner and watch it come to life. Bring the spouse and (grand) kids, too!

The Club meets at HobbyTown in Kennesaw, GA at 7:00pm on the third Thursday of each month. Announcements and chats between monthly meetings are made through the Club's Forum at <http://forum.ogauge.org/>. Meetings are informal, relaxed, and there are plenty of opportunities to contribute to the fun! After all, we are a social club.

It makes no difference to the Club whether you're into Lionel, MTH, Atlas O, K-Line, Weaver, Bachmann, Marx, or Ives...you will find that the Club is a great place for friendship and sharing of ideas for Toy Trains. Are you Tin Plate or High Rail, layout or not, young or old, Pre-War or Post-War? All are welcome. Come and share your experiences with us.
